"Increase our faith!"

It is easy to say that we have faith in Jesus when everything is going fine, but will it still be so when there are big problems, crises, calamities. But we all know that the true mark of faith is to cling to God even in doubt, difficulties and even darkness. We hear the apostles asked the Lord, "Increase our faith." They wanted an immediate outpouring of faith. The Lord, however has a different view: "If you have faith the size of a mustard seed, you would say to this mulberry tree, 'Be uprooted and planted in the sea,' and it would obey you."

But what really is faith? In the context of our day to day tumultuous reality, faith is that trust which makes us to hold on to God's hand no matter what. Probably we may think that our faith may be tinier than a mustard seed. But so long as it enables us to reach out to God's hand, He will help us cross the ocean of problems and climb the mountains of troubles before us.

We cordially invite you to attend the Installation of
Rev. Fr. Apolinario "Poli" Ty, SSS
As Pastor of St. Joseph Church and School.

*I thank my God every time
I remember you. In all my
prayers for all of you,
I always pray with joy.
-Philippians 1:3-4*
