Adoration of the Blessed Sacrament begins
Weekdays & Sundays at 4:00 p
Saturdays at 3:00 p

23rd Sunday in Ordinary Time – 2021 (B)

Be Opened!

It is not uncommon to see today in a restaurant that a family or a group of people gathered around a table and each one busy playing or attending to their cellphones. Do they have time to listen to each other?

And yet, listening is most likely the best gift we can offer to each other. Because when we choose to truly listen to one another, we create a sacred space where God is able to reveal Himself in our world today. True listening is not only a sign of respect for the other, it is a sacred gift!

In our Gospel this Sunday, we hear how a deaf man with a speech impediment was brought before the Lord to be healed. Unable to communicate, he must have lived in isolation. But this deaf man's greatest suffering would have been his inability to hear the Word of the God when Jesus proclaimed them. And this is the spiritual deafness that the Lord desires to heal in each one of us if only we would allow him to do so. "Be opened!" is what the Lord wants to happen to all of us – Open to His words, Open to His Presence, Open to His Love and Mercy, Open to welcome our brothers and sisters especially the weak and isolated!

What are the obstacles and impediments in our everyday life that prevent us from hearing God's Words in our lives?

August Weekend Masses will be streamed, LIVE on:

SUMMARY GUIDANCE FOR COVID-19 CASES & CONTACTS

Cases vs. Contacts

CASE
A person who tests positive for COVID-19, with or without symptoms

CLOSE CONTACT: HOUSEHOLD

A person who lives in the same house and has ongoing contact with the Case

CONTACT OF A CLOSE CONTACT

A person who lives with or has been in contact with a Close Contact but has had no contact with the Case

CLOSE CONTACT: NON-HOUSEHOLD

A person who has been within 6 feet of the Case for a combined total of at least 15 minutes over a 24-hour period (starting 2 days before the Case became ill or tested positive for COVID-19)

What does this mean?

CASE	CLOSE CONTACT: HOUSEHOLD	CLOSE CONTACT: NON-HOUSEHOLD	CONTACT OF A CLOSE CONTACT
<p>ISOLATION Must stay at home except to get medical care until:</p> <ul style="list-style-type: none"> At least 10 days have passed since symptoms first appeared (or if no symptoms, since test was taken); AND At least 24 hours have passed since last fever without use of fever-reducing medicine; AND Symptoms, if any, have improved <p>NO ADDITIONAL TESTING Has already been tested and confirmed to have COVID-19</p> <p>CONTACT: Please notify school/employer and all Close Contacts</p>	<p>QUARANTINE Unvaccinated Contacts: Must stay at home for 10 days¹ after last contact with the Case If unable to avoid contact with the Case (living in the same house with no separate bedroom, bathroom, and living space), must stay at home while the Case is in Isolation AND for an additional 10 days² Fully Vaccinated* Contacts: If no symptoms, do not need to quarantine</p> <p>GET TESTED Unvaccinated Contacts: Get tested immediately. If test negative, must: • Still remain at home until quarantine period is over • Be tested again in 5-7 days after last contact with the Case or immediately if symptoms develop Fully Vaccinated* Contacts: Get tested at 3 - 5 days after last contact with the Case, even if not having symptoms</p> <p>MONITOR FOR SYMPTOMS All contacts (unvaccinated and vaccinated) should monitor for symptoms for 14 days after last contact with the Case. If symptoms develop, immediately self-isolate and get tested.</p> <p>CONTACT: Please notify school/employer</p>	<p>QUARANTINE Unvaccinated Contacts: Must stay at home for 10 days¹ after last contact with the Case Fully Vaccinated* Contacts: If no symptoms, do not need to quarantine</p>	<p>NO QUARANTINE No quarantine required unless the Close Contact becomes sick or tests positive for COVID-19</p> <p>NO TEST NECESSARY Unless: • Symptoms develop; or • Close contact becomes sick or tests positive for COVID-19</p> <p>NO NOTIFICATIONS REQUIRED</p>

DEFINED: **Isolation:** keeps someone who has COVID-19 or tested positive for COVID-19 without symptoms away from others, even in their own home
Quarantine: keeps someone who was in close contact with a person with COVID-19 away from others in case they get sick

¹14-day quarantine still applies to congregate settings (e.g., long-term care facilities, group care homes, assisted living facilities, correctional facilities, shelters, residential rehabilitation and treatment settings, military housing, etc.)

²People are considered fully vaccinated two (2) weeks after receiving their 2nd dose in a 2-dose series or 2 weeks after a single-dose COVID-19 vaccine

Updated 04/27/21

Summary Guidance (English)

**Series begins on Thursday, September 9, 2021
at 4:00 p.m. (HST) via Zoom**

The Cathedral of Saint Mary of the Assumption in San Francisco has announced a new series of Lectures on the Gospel of St. John presented by Rev. William C. Nicholas. The series will be presented via Zoom on Thursdays starting on September 9, 2021 and ending on May 26, 2022. The lecture series is open to anyone interested.

Class and Zoom information can be found at www.frbillnicholas.com under "Zoom Presentations."

Baptisms and Faith Formation

For those who are requesting baptisms and families who are awaiting faith formation for their children we truly appreciate your patience and understanding as we work through this time of transition.

To date, no one has applied for the Director of Religious Education position. We remain confident that God will provide us with the right person to take over our Religious Education Department.

Until then we will do our best to provide the Sacrament of Baptism.

Blessings for a safe Labor Day weekend.
