Solemnity of Corpus Christi – 2022

Corpus Christi – a Celebration of God’s Solidarity with Us

The Solemnity of Corpus Christi or the solemnity of the Holy Body and Blood of Our Lord Jesus is precisely a celebration of the gift of His Real Presence in the Eucharist. If we have learned to treasure a person’s presence, how much more when we talk of the Presence of our Lord Jesus.

Every time we come together to celebrate the Holy Eucharist, we are brought to join Our Lord in His self-offering on the cross Yes to die with Him but only to share His resurrection. And being with Him and He being with us - Is this not what Solidarity is about?

But God being in solidarity with us in the Eucharist, however, does not mean He will free us from all trials, provide us with undisturbed existence and a cure-all vaccine for any future viruses. While nothing is impossible for Him, his solidarity, however, is manifested in his willingness to be with us into our trials, our troubles and virus outbreaks . Such solidarity brings us to a face to face encounter with His compassionate presence. A presence that cares, a presence that endures, a presence that is real. And this is what we celebrate on Corpus Christi.

But such solidarity does not end with God encountering us in His heart. Consequently we also encounter all our brothers and sisters who have journeyed into that heart of God and we are summoned to a solidarity with one another.
