## PRAYER FOR ELECTIONS

Loving God, as our civic elections approach, fill us with the light of your Holy Spirit and the wisdom and courage to be faithful citizens. Guide us with your Spirit to exercise our responsibility to vote, but to first study the candidates and issues according to your will. Let us vote for people and policies that will affirm life in all its stages, from conception to natural death; that will strengthen marriage and the family according to your will; that will make us more attentive to the needs of the homeless and the vulnerable; and that will lead us to be “one nation, under God.”

We ask this through Christ our Lord. Amen.

# CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

I should no longer say that I have neighbors to help,  
but that I must myself be a neighbor to others.

—Pope Francis, *Fratelli Tutti*, no. 81

For more than 50 years, the Catholic Campaign for Human Development (CCHD) has supported organizations that combat poverty and improve the lives of people in communities across the United States. From empowering immigrants in towns along the southern border to advocating for improved housing and educational opportunities in northern and midwestern cities, CCHD-funded groups tackle a wide range of economic and social justice challenges that affect local communities in rural and urban areas.

In areas of Tennessee where coal-mining operations and landfills have caused water pollution and other environmental damage, Statewide Organizing for Community eMpowerment (SOCM) works with governments and regulatory agencies to limit hazardous waste disposal in landfills and to require environmental cleanup as part of the permitting process for new business operations.

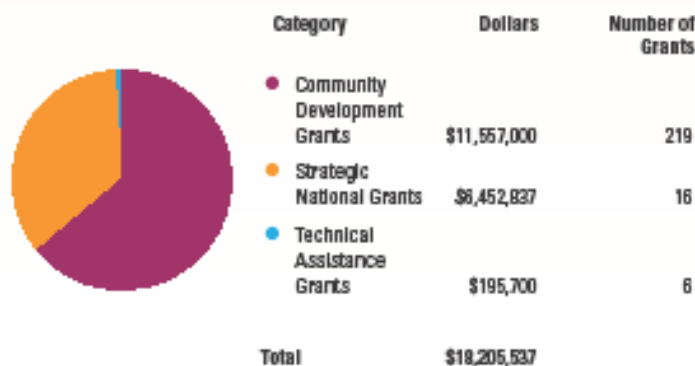

Environmental damage affects all of us, most especially low-income people who are affected by water pollution resulting from mineral extraction, lack of access to healthy foods in urban “food deserts,” and natural disasters caused by climate change. The Church teaches that “the natural environment is

a collective good, the patrimony of all humanity and the responsibility of everyone” (Pope Francis, *Laudato Si'*, no. 95). Since the release of *Laudato Si'* in 2015, CCHD has invested more than \$4.3 million in organizations that work to protect the environment and combat pollution. When you support CCHD, you support organizations that work to protect the air, soil, and water for all the members of their communities.
